MEMORANDUM FOR: Comptroller

THROUGH: Deputy Director for Science and Technology

FROM:

Acting Director, Foreign Broadcast Information Service

SUBJECT: Reprogramming of FY 1983 Nonpersonal Services Funds

REFERENCE: DDS&T Instructions 230-1, Dated 30 October 1979

25X1

25X1

Approval to reprogram FY 1983 nonpersonal services funds within
 FBIS is requested as follows:

- a. DECREASE: Manila Remoting and Overseas Monitoring
 Equipment

\$509K

<u>FAN</u>	<u>SOC</u>	<u>AMOUNT</u>
0500	2604	
0500	3104	

25X1

IMPACT STATEMENT: A FY 1982 survey and study of a Manila Remote Monitoring Unit determined that such a unit would not be productive at this time. Provincial radio broadcasts produced little of intelligence value while television broadcasts could be monitored the bureau in Okinawa. Purchase of some equipment to maintain our overseas field bureaus at normal operating levels can be deferred for a year without irreparable damage.
